08/31/2011	<u>11 270348</u>	Pending	PV - Project Facilitator Review	08/31/2011 Inquiry about auto repair and tow service business. AUTO REPAIR USE: Per Corinne Tilley building originally approved by zoning for storage only. Auto repair garage use was licensed from 2004 - 07, but there has been no auto repair use since that time. Site would need to meet current zoning design standards (i.e., lot size, landscaping from residential, etc.) to establish an auto repair use or obtain variance from those requirements. TOW SERVICE BUSINESS (not impound): Contact must provide detailed site/floor plan and written business plan so that zoning can determine requirements to establish such a use. Building code

issues must be reviewed for any use established here. Explained license requirements for auto repair.
