Hello,

We received the letter attached. We are against the filling of the license for Rudy's Auto Repair being placed in the neighborhood.

We are a small area, with lots of rental properties. As I homeowner, we find ourselves constantly contacting the City to have the renters clean up after themselves. Having a business like this move in would only cause the street to loss some of that cleanliness we are already failing to have, due to renters.

Unfortunately, that and many other reasons are why I am against this request. Please let me know if you need anything else from me.

My contact information is Cecilio Salazar, 473 Topping St Saint Paul MN 55117, 651-242-7703.

Thank you,
Cecilio Salazar
