Total amount due for Delinquent Garbage Bill Assessment 551.89 **Other Telephone** 6516960214

Stated Reason for Appeal (if given)

My garbage collection was stopped for a good portion of 2022. When they finally straightened it out, I received a bill for 6 quarters of service. During the majority of 2022 I received no bills or correspondence of any kind. The automated complaint service at waste management said I had no active account. I may owe something but not for a year and a half. I even sent them a payment and they sent it back

Did you receive a Saint Paul City Council Public Hearing Notice Ratification of Assessment?
Yes

Billing period for Delinquent Garbage Bill Assessment
Quarter 2 (April - June)

Jeff P Nyman December 21, 2023 at 05:40

In 2022 waste management stopped my garbage collection without my permission and without my knowledge. Their system had no active account for my address. When I realized the missed collections were continuing I tried to find a recent bill but neither WM or St. Paul had sent me any. I paid the amount on an old bill and WM sent it back. During this time I would take my garbage to my work to dispose of it. When I finally got it straightened out, WM sent me a bill for 6 quarters. WM then said that collection couldn't be stopped in St. Paul and I owed them the money. They also said that they would ask St. Paul to audit the account and after that the bills they sent were for current service. I'm not saying I don't owe anything but I think a year and a half is unreasonable. Please consider reducing this amount. The notice says I owe for one quarter. I'd gladly pay that

Good Morning Jeff,

I'm sorry for the confusion you've had regarding your pending assessment for 1332 Sargent Ave. You're correct that is unreasonable to pay that large of a bill all at once when they were not billing your properly in the first place. Waste Management is not allowed to back-bill that far into the past. We only allow them to bill for a quarter prior. In your case, Jan-Apr as well as the Jul-Aug bill.

Can you please share a copy of your invoice/bill with me?

I will reach out to Waste Management and be in touch within the next 3-5 business days.

Lydia

Here's the invoice I received after my service was restored. I also wanted to mention that when I contacted WM in the beginning, the representative told me they had stopped my service but later when I got this bill they said that

couldn't happen. I believe the \$106.79 in brackets represents the money I spent then that they sent back. But I really don't understand any of this

Jeff
We do not allow the garbage haulers to bill for more than the current and previous quarters. I have asked them for an updated amount that only includes Jan-June 2023. I will then reduce the assessment to that amount. Stay tuned!

Internal note

Response from hauler: *This is the one where the account was canceled by accident but he never called us back until this past March to say he hadn't been getting serviced. I'll take care of it.*

Lydia Campbell January 10, 2024 at 10:45

Internal note

Property now has a Q4 2023 assessment for \$11.64

Lydia Campbell January 19, 2024 at 13:33

Internal note

No response from hauler. Making recommendation to reduce assessment to include only Q1 & Q2 of 2023: 1 96-gal cart (no late fees because account was canceled by WM without reason and PO was not informed). This will total: \$267.74
