This is in Regard to application for Liquor on sale at 1552 Como Ave.

I have lived in this neighborhood for 50 years. It is a family friendly neighborhood.

The older people are moving out and young families are moving in.

There is very limited parking in the area of 1552 Como. which means people would be parking on the side streets.

We have limited park in June for Back to Fifties (3-4 days)

Limited parking in July for Hmong Festivals (3-4 days)

Very limited parking in Aug-Sept for the state fair (10-12 days)

We listen to car doors slamming all hours of the night. Picking up garbage on our property and people use

our yards be their personal restroom.
It will put children and pets in danger as many drivers 1552 Coms have been drinking and worried about where to park instead of watching for pedestrians.
Our homeowners insurance will go up and our property values will go down.
Please consider this and help keep our neighborhood safe.
