Think Before You Click: This email originated outside our organization.

I've attached a photo from a video I took yesterday of squirrels running in and out of a hole in the eaves of the house. Thankfully the contractor was here this morning so I could show him, as well. He said he would inform the mortgage company. I think this should be addressed before it goes on the market. These squirrels are making quite a lot of noise and could be causing damage, though the contractor said there's no access panel to the "attic" space.

I wish I'd seen this before last Wednesday's city council meeting.

Thank you.
Ann

Thank you.

Subject: **EXT** 621 Bidwell St - Cert of Code compliance

Hello Ms. Powell,

Seems like the Certificate of Occupancy was issued today for 621 Bidwell St; therefore, the hearing on May 8th is not necessary. Ms. Moermond will amend the resolution to state that the nuisance has been abated and matter resolved. The \$5,000 performance deposit can be requested through Robert Humphrey at DSI, 651-266-8989.

Congrats and thank you,

Mai Vang
