Hi Melanie.

We do not have any pictures. The order was written based on a complaint from FD.

There was a call on May 3rd for a report of smoke in the area of Johnson Pkwy and Case Ave.

After investigating SPFD found trash burning unattended at this address with several people hiding in a nearby shed and all denied burning.

Orders were written based on this report to inform the owner to cease any illegal burning on the property.

Thank you.

Sebastian,

We received an appeal this morning on the Correction Orders given to Joseph Dalbec at 913 Johnson Parkway. While looking in STAMP, I could not find pictures associated with this notice. Would it be possible to send me the pictures that were taken? Thank you for your help with this!
