My name is Ronaldo Walker. I live at 779 Saint Anthony Ave. here in Saint Paul 55104 and I'm calling to object about the project they're talking about on Saint Anthony and Concordia Ave., the mill and overlay on Concordia and Saint Anthony, Snelling to Marion, removal of a top layer 2 inches of street. and down where they're talking about estimating assessment. I'm objecting to this because if it's more money going to be added to our taxes, I think that we're taxed enough for street work, side streets, alleys, the taxes for everything. I totally object to this. And if we can find a number or that's the overlay project. Anyhow, I do object. Thank you.

Yes, my name is Ronaldo Walker live on Saint Anthony Ave. With the project they have where they wanna reduce the surface of the street and add more money to our taxes. I firmly object to that. I'm one of the residents on Saint Anthony Ave. And the Let's see. I don't know if you need a partial ID number for this, but it's 3/5 292342 41800 1 90 01 80 is the last four. Either way, I object to it and do not want to pay any more money any kind of way in any kind of maintenance. We are charged enough, thank you, and it never goes away.
