Good morning Ms. Smith,

Following up on our phone conversation this morning; Inspector Shaff had already discussed this with the Hearing Officer (which I was unaware of), so a Staff Report will be prepared to discuss on July 9th. This is the earliest Legislative Hearing date due to next week's holiday. That being said you sort of have a default "extension" based on that alone, so if things wrap up in the meantime please let me know, since compliance will have been achieved. Otherwise, we typically don't call people in for these, but keep me updated on what your ask would be if there are any delays between now and July 9th so I can let the LHO know how long of an extension you would be requesting.

Please let me know if you have any questions,
Joanna
