Re: 1058 Selby Ave, St. Paul; Ref. #122522

Dear Legislative Hearing Council,

We have been retained by Vincent Hughes, owner of 1058 Selby Ave, St. Paul ("1058"). Please direct any and all communications regarding same to our office.

On May 7, 2024, Mr. Hughes received a letter from the City of St. Paul, Safety and Inspections Department, titled "Fire Inspection Correction Notice" (see attached). This letter claims that 1058 is due for a renewal of its Fire Certificate of Occupancy, and that the property will be re-inspected on May 28, 2024. We are hereby appealing this notice, as it is based on factual error.

First, 1058 is not due for a re-inspection because it has never been inspected before. Mr. Hughes purchased the property in 2004, and has never been subject to a fire inspection before.

Second, 1058 is not for rent nor has ever been for rent. Mr. Hughes has never rented the property out. Since the purchase of 1058, the property has been occupied by Mr. Hughes, with occasional visitation and long-term stays by his son or his sister. Mr. Hughes has never had anyone reside in the property besides himself. In other words, 1058 is an owner-occupied single-family home.

Because 1058 is an owner-occupied single-family home, it is not subject to fire inspection. Chapter 40, Sec. 40.02, of the St. Paul Code of Ordinances states in pertinent part that:

An owner-occupied single-family house, duplex, or condominium unit shall be exempted from the requirement to have and maintain a fire certificate of occupancy. "Owner-occupied" means the house, duplex or condominium dwelling unit for which the exemption is claimed is the owner's principle residence. For the purposes of this

exception, "owner" means a natural person and does not include a corporation, partnership, or other entity.

1058 is Mr. Hughes' principal place of residence in the State of Minnesota. While Mr. Hughes' work requires him to travel to Kentucky for extended periods of time, 1058 remains Mr. Hughes' primary residence (Mr. Hughes maintains a P.O. Box in Kentucky so that he can receive mail when he is away from his Minnesota residence).

Mr. Hughes remains unaware of the reasoning behind the City, without any input from Mr. Hughes, classifying 1058 as a rental unit. From our investigation this appears to be a clerical error of some sort on the part of the City. Mr. Hughes never applied to register 1058 as a rental property.

Based upon the foregoing, we ask that the Legislative Hearing Council deem 1058 as owner occupied, and remove 1058 from any municipal records that state that it is a rental property. In the event that Mr. Hughes decides to rent out 1058, he will take the appropriate steps to legally do so by registering with St. Paul and allowing a fire inspection of the property.

Sincerely,

LIBBY LAW OFFICE, PA
