Subject: Opposition to Handsome Hog license expansion
Date: Tuesday, June 18, 2024 9:48:25 AM

I am writing to express my opposition the license expansion for the Handsome Hog. I am a resident of the Blair House which is located across the street from the Handsome Hog and it's patio.

Handsome Hog has long been in violation of their operating limitations in regard to hours of operation and outdoor music volume. This has, in previous years, caused extreme problems for our residents, with music playing late into the night at over 10 times louder than their permitted levels. In the past the management of the Handsome Hog has been truly terrible to work with on this issue, and we have had many police reports filed and city council discussions on the issue.

In general the restaurant has been a good addition to the neighborhood. The addition of the patio has been a constant source of noise problems for those who reside in the neighborhood. **Please do not expand the license.**

Sincerely,

Larry Cline
