Good Afternoon,

I would like to express my concern over the proposed liquor license that allows liquor service and outside entertainment for the above mentioned property.

This business is uniquely situated surrounded on three sides by residential properties with no buffer. As it is the noise from the Gnome Craft Pubs patio and Farrell's gym does not allow for the enjoyment of my backyard at 472 Dayton Avenue.

I would greatly appreciate your considering denying this license.
Thank you for your consideration,
Michelle Hotzler
472 Dayton Avenue
