To clarify, you don't need to register anyone for Legislative Hearing, you just need to provide phone numbers; we simply call them in (no zoom or video).

Thanks,
Joanna

Importance: High

Good morning all,

I've spoken with the Legislative Hearing Officer, and at the Council Public Hearing on Wednesday, she will ask the Council to refer this back to **Legislative Hearing on Tuesday, August 27, 2024 via phone between 1:30 and 3:30 pm (or in person at 1:30 pm in room 300)** so everyone can have a discussion about facts/logistics/requirements etc.

This will be done without discussion on Weds, so there is no need for anyone to attend.

We need to confirm any names and phone numbers of people you wish to be called into this hearing that afternoon (Mr. James Cran, we have yours). If that doesn't work with schedules, please let me know and we can look at a different date (hearings are only Tuesdays).

Thanks,
Joanna

Ms. Zimny:

As you know, I represent Thomas Cran, owner of the involved property. We intend to attend the 8/21/24 hearing and present to the council facts showing that my client is moving to place the property on the market and has already done extensive improvements to prepare the property for sale. He has also engaged a realtor.

FYI, as I think we both suspected, my client was not aware of this situation until yesterday. He fully intends to comply with city regulations regarding the property.

My client's Attorney In Fact under a Power of Attorney, his daughter, Christine Oehlien, will attend on his behalf and I plan to register Mr. Cran to testify via phone if he is able. Despite whatever the occupant has alluded to, my client has full mental capacity. I also plan to attend the hearing.

I can try to submit the documentary evidence showing sale preparation online if that option is available though I did not see that option in the paperwork you sent.

Mr. Cran thanks you for your email of yesterday and appreciates your dedicated work on behalf of the residents and taxpayers of St. Paul.

Please copy my assistant, Elizabeth, on all correspondence/emails. Thanks.

Good morning Mr. McGarry,

I found contact information online after Mr. Cran sent us the letter below, and thought it prudent to forward you this information as a rep of the property owner for 293 Burlington. The property has current orders on it to get a Fire Certificate of Occupancy for the property or vacate, as it is not owner-occupied.

I've attached a packet with the appeal information as well as minutes from the hearings.

Please let me know if you have any questions.

Thank you,
Joanna

Good morning Mr. Cran,

I've conferred with staff and unfortunately that letter doesn't suffice. If you don't have legal possession of the property at this time, you need to either have your name put on the title or your father needs to have a [Fire Certificate of Occupancy](#) for the property since it is not owner-occupied. I'm sure if your father is willing and able to at least submit the provisional Fire Certificate of Occupancy application before the Council Public Hearing Ms. Moermond would consider allowing time for that inspection to occur, but without those things the property needs to be vacated.

The City cannot simply allow you to continue to occupy indefinitely while you wait for your father to pass away(my apologies for putting it so bluntly).

Please refer to my August 9 letter should you wish to testify this recommendation on August 21.

Thank you,

Joanna
