To Whom It May Concern:

The above described building or portion of building has been inspected and is in compliance with applicable code requirements for the occupancy classification and use listed above.

All commercial/industrial building, all multi-family dwellings of three units or more and all non-owner occupied one and two family dwellings also require a Fire Certificate of Occupancy issued by the DSI-Fire Safety Inspection Division. When required, the Fire Certificate of Occupancy has been issued concurrent with this Building Official's Certificate of Occupancy. Inspections for the required renewal of the Fire Certificate of Occupancy will occur on a schedule established by the Fire Safety Inspection Division.

Sincerely,

Steve J. Ubl  
Building Official
