Hello Will and Jeff,

Yes, we received this but we were not open yesterday due to the election.

Will, we are hoping you'd like to join us next Tuesday at 5 pm to talk about this with the group. Does that sound good to you? We are right across the street!

Thank you,

Jens

Will – DSI recommends you also attempt to contact them by phone and meet with this organization if they would be interested in that.

Thanks,

Summit-University Planning Council

To Whom It May Concern

I would like to introduce myself. My name is Will Rolf, I am a long time Summit University resident, and I have applied for a license to run the neighborhood bar and restaurant, Sweeney's. I don't plan to change much other than make some improvements to the existing business. I would be happy to meet with the Council and any interested neighbors to answer any questions you might have about the application and my plans. I have included my contact info, the application, and a site plan and floor plan for the restaurant. I am looking forward to meeting with you and to becoming an active member of the community.
