Good afternoon Ms. Miller,

I spoke to the Legislative Hearing officer, this is being laid over to December 3, at which time I would strongly encourage you to sign up to testify and present your case for no forfeit of deposit at that time. Or if it's still incomplete, at a later hearing.

Try and wrap things up ASAP (I know you're trying), as that will help your argument.

The link to testify by phone is here: https://www.stpaul.gov/department/city-council/city-council-publichearing-
The latest to sign up is noon on Tuesday, December 2, but you can sign up anytime after the next agenda is published, which should be early next week due to Thanksgiving.

Thanks,
Joanna

Think Before You Click: This email originated outside our organization.

Hi Joanna,

Just an update. The meter was finally installed. I'm now waiting on the electrician to schedule his inspection. Perhaps, I will call the inspector and get that scheduled directly. In the meantime, I have taken the extra time to do some landscaping that is not required. I would like to request one more layover. My son and I will truly need those funds to live on.

Warm regards,

Lorie
