Ms. Adams,

I'm not here to argue with you. I was simply asked to share information. You indicated you had "no idea what I was talking about" and I was clarifying that it was discussed in the hearing. If Department of Safety & Inspections wants to do any further enforcement that is at their discretion.

I'll consider the matter concluded, and you can do any further research or interpretation of statute as you deem necessary.

Joanna

Think Before You Click: This email originated **outside** our organization.

Please refer me to the Saint Paul Legislative Code or Minnesota State Statute that requires classic cars, screened and stored outdoors, to be licensed.

Per pages 14 (*Saint Paul Legislative Code 163.01.3.a*), 15 (*Minnesota Statute 168.10.1e*), and 22 (*Suggestions for professional correspondence*) of the correction notice response I provide at the Legislative Hearing:

Classic cars stored outdoors are specifically exempt from having tabs. Minnesota Statute 168.10.1e

states classic cars may be **unlicensed** and stored in any outdoor storage area screened from ordinary public view by means of a fence.

Your assistance with providing the Code or Statute that requires current tabs on stored classic cars would be greatly appreciated. Thank you.

I look forward to hearing from you.

As the letter indicates, your appeal is granted. There was discussion in the hearing about your vehicles being collector vehicles, It is my understanding that in order to not have current tabs on vehicles they must have collector plates.

Adams: the car in the yard has been moved. The plates that were off of one car in the backseat are now on it. I don't believe I have to have tabs on vehicles that are that old, they are classic cars.

Moermond: do they have classic plates?

Adams: no. Not aware per the statute that I have to have those.

Moermond: you do.

It was not a requirement of the hearing, simply information Ms. Moermond asked me to pass on for assistance.

I was at the hearing. I have no idea what you're talking about.

I scheduled the Legislative Hearing to resolve the correction notice. If this isn't resolved, please specify why.

I wasn't at the hearing so I don't have more specifics other than I was told to send you that information for registering your collector cars.

Hi Joanna,

Can you please be more specific? Contact the State of Minnesota about licensing and registration for what reason?
