I support the housing numbers laid out in the master plan and support BZA's denial of the appeal from Ryan's companies to lower density and create smaller building. It will lead to a strip mall effect. We need density for economic activity, to support business and for the environment.

Good afternoon:

A letter from Jon Fletcher, President & CEO of Presbyterian Homes & Services, is attached in support of the land use application for the Highland Bridge Block 2B and 2C development. Please let me know if you have any questions or need additional information.

Sincerely,

Erin Heath
