You don't often get email from ael40@hotmail.com. Learn why this is important

Hello,
My name is Amanda Lathrop and I am the executor of the Janice L Juvette revocable trust which owns 2060 4th Street East. On Sept 23rd I received a summery abatement order for rubbish in the alley. We went out in the alley and there was no rubbish on our property. The picture on the order is of the neighbor to the east. I have attached the picture from the abatement order and a photo taken that day by my mother of our property. The number on the abatement order was called and they were informed it was not our property. I just received the assessment for $389 for the clean up of the rubbish that was not on our property.
Please let m know what I need to do to resolve this matter.
Thank you,
Amanda
