

SUBJECT

BOARD RESOLUTION NO. 25-550

Pertaining to an agreement with RB Advisory LLC to provide penetration assessment services for three (3) years.

STRATEGIC PLAN GOALS: Infrastructure Strategy and Performance

Staff is seeking approval of a \$150,000 3-year professional services agreement with RB Advisory LLC to provide comprehensive cyber and physical penetration assessments of its assets, identifying vulnerabilities from both internal and external attack vectors. Assessments will be provided on an individual event basis which become addendums to the agreement and will be detailed in statements of work outlining the cost, scope, deliverables, timeline, and responsibilities for each event.

Following Board approval, City of Saint Paul Contracts and Analysis will prepare a Professional Services Agreement, which will include the Board's standard terms and conditions, liability and insurance language, and the overall scope of work as described in RB Advisory LLC's proposal at a cost not to exceed a total of \$150,000.

See attached Proposal
