This “**Agreement**,” made and entered into on the effective date contained herein by and between the Board of Water Commissioners of the City of Saint Paul, hereinafter referred to as “The Board,” d/b/a Saint Paul Regional Water Services ("SPRWS") and the above-named Contractor, hereinafter referred to as “Contractor.” The Board and the Contractor are each a “**Party**” and collectively the “**Parties**.” References to the “**City**” shall mean the City of Saint Paul. The Board and Contractor, in consideration of the mutual terms and conditions, promises, covenants, and payments hereinafter set forth, agree as follows:

Section 1. Time For Completion.

Contractor will provide the services comprised of the tasks, deliverables, and timeline(s) (the “Work”) articulated in Exhibit A, which is attached and incorporated into this Agreement by reference. The services rendered by Contractor will commence upon execution of the Agreement and with the specific prior agreement of the Board or its designated representative to proceed. The Work will be completed in accordance with the written schedule mutually agreed upon with the Board, but no later than the expiration date as provided in this Agreement. No claim for labor, services, or products provided by the Contractor not specifically provided for in this Agreement, will be honored by the Board.

In the event that there are delays caused by actions of the Board or which may be reasonably requested by the Contractor which might require change to the completion date, Contractor must request in writing an extension of time for completion of the Services. The Project Manager will review the request and, if an extension is required, grant to the Contractor such extensions of contract time as may be reasonable in the Board’s discretion. A request shall not be deemed approved unless the Project Manager has provided approval to the Contractor in writing.

Section 2. Project Management.

The Board requires the Contractor to assign specific individuals as principal project members and to assure that the major work and coordination will remain the responsibility of these individuals during the term of the Agreement. Removal of any principal project member without replacement by equally qualified individuals or without the prior written approval of the Saint Paul Regional Water Services General Manager is grounds for termination of the Agreement by the Board.

The Board has designated the individual on Page 1, as the Board's Project Manager for this Agreement, and the individual to whom all communications pertaining to the Agreement will be addressed. The Project Manager will have the authority to transmit instructions, receive information, and interpret and define the Board’s policy and decisions pertinent to the work covered by this Agreement.

Section 3. Billings and Payment.

The amounts articulated herein will fully compensate Contractor for all Work and associated costs. The Board will not honor any claim for services and/or costs that the Contractor has not specifically provided for in this Agreement. Notwithstanding anything to the contrary in this Agreement, total costs for the Work must not exceed the amount referenced herein.

Contractor must submit an itemized invoice monthly or after Work is complete. Invoices should clearly itemize all goods and/or services provided. Upon receipt of the invoice and verification of the charges by the Project Manager, the Board and/or the City will make payment to Contractor within thirty-five (35) days in accordance with Minnesota Statutes Section 471.425, or as the same may be amended, supplemented or superseded. Contested invoices will not be paid until the billing issue is resolved to the Board's satisfaction, and the Board and/or City will have thirty-five (35) days from that date to make payment.

Section 4. Board Responsibilities

The Board agrees to provide Contractor with access to any information from Board documents, staff, and other sources under the control of the Board needed by Contractor to complete the work and/or Services to the extent permitted by law. Upon the request of the Board, the Contractor agrees to sign any Confidentiality or Non-Disclosure Agreement that the Board reasonably requires before releasing any information that is deemed confidential or private pursuant to Chapter 13, Minnesota Government Data Practice Act.

Section 5. Amendment or Changes to Agreement.

Board or Contractor may request changes that would increase, decrease, or otherwise modify the Scope of Services. Such changes and method of compensation must be authorized in writing in advance by the Board. Any alterations, amendments, deletions, or waivers of the provisions of this Agreement are valid only when reduced to writing and duly signed by the Parties. Amendments, modifications or additional schedules may not be construed to adversely affect vested rights or causes of action which have accrued prior to the effective date of such amendment, modification, or supplement. The term "this Agreement" as used herein is deemed to include any future amendments, modifications, and additional schedules made in accordance herewith.

Section 6. Notices.

Except as otherwise stated in this Agreement, any notice or demand to be given under this Agreement must be delivered in person, sent by certified United States mail, or via electronic mail with Return Receipt Requested. Any notices or other communications should be addressed to the individuals and addresses listed on page one (1) of this Agreement.

Section 7. Survival of Obligations.

The respective obligations of the Board and Contractor under these terms and conditions, which by their nature would continue beyond the termination, cancellation, or expiration of the Agreement will survive such termination, cancellation, or expiration.

If a court or governmental agency with proper jurisdiction determines that this Agreement, or a provision herein is unlawful, this Agreement or that provision, will terminate. If a provision is so terminated but the Parties legally, commercially, and practicably can continue this Agreement without the terminated provision, the remainder of this Agreement will continue in effect.

This indemnification shall not be construed as a waiver on the part of the City or the Board of any immunities or limits on liability provided by Minnesota Statutes Chapter 466 or other applicable state or federal law. This obligation of the Contractor shall survive the termination or expiration of this Agreement.

Section 14. Assignment.

The Board and Contractor each binds itself and its successors, legal representatives, and assigns, with respect to all covenants of this Agreement; and neither the Board nor the Contractor will assign or transfer its interest in this Agreement without the written consent of the other.

The SPRWS will provide the Contractor with a written statement detailing such costs which Contractor shall pay within 30 days of receipt. These remedies shall be in addition to any other remedies available to the SPRWS in law or equity. The SPRWS shall be entitled to recover reasonable attorney’s fees and costs of collection associated with enforcing its rights hereunder.

Section 17. Independent Contractor.

It is agreed by the Parties, that at all times and for all purposes related to the solicitation and performance of this Agreement, the relationship of the Contractor to the City and the Board is that of independent contractor and not that of employee. No statement contained in the specifications or this resulting Agreement will be construed so as to find the Contractor an employee of the City or the Board, and Contractor is entitled to none of the rights, privileges, or benefits of City or Board employees.

Section 18. Waiver.

Lack of enforcement by the City or the Board of any breach of this Agreement does not constitute a waiver of the City or Board's right to enforce any subsequent breach or default.
