CORRECTION NOTICE

Date: **September 04, 2024**
RE: **725 CHARLES AVE**
File #: **24-071809**

Dear Sir/Madam:

The City of Saint Paul, Department of Safety and Inspections has re-inspected the above referenced property on **September 03, 2024** and has determined that the following deficiencies exist in violation of the Saint Paul Legislative Code[1] (see footnote 1, below).

1. SPLC 34.08. - **PARKING:** Parked or stored vehicles. All existing parking spaces shall consist of asphalt, concrete, gravel rock, or other durable and dustless surfaces. Existing parking surfaces must be maintained in a professional state of repair and may be maintained with like materials without additional approval from the city. Existing parking surfaces must be contained to eliminate migration onto other adjacent surfaces and must be clearly delineated. In all residential districts, off street parking shall not be located within any front yard or non-interior side yard. Before any existing parking spaces or driveways may be expanded upon, site plan approval must be obtained as specified in the Saint Paul Zoning Code and the lot must be developed in conformance with such approval.

   PLEASE REMOVE THE VEHICLES AND BOAT PARKED ON THE GRASS FROM THE BACKYARD. THANK YOU.

You are hereby notified to correct these deficiencies in accordance with the appropriate codes. The Enforcement Officer will re-inspect these premises on or after **September 17, 2024**, by which date the violations noted must be corrected. Failure to correct these deficiencies may result in an abatement and/or additional fees for re-inspection.

You may file an appeal to this notice by contacting the City Clerk at 651-266-8585. Any appeal must be made in writing within 10 days of this notice. (You must submit a copy of this Notice when you appeal and pay a filing fee.)

If you have any questions or request additional information, please contact me. To arrange an appointment or request an extension of time to complete repairs, you will need to speak directly to me at 651-266-8995.

Sincerely,

David Smith

WARNING: Code inspection and enforcement trips cost the taxpayers money. If the violations are not corrected within the time period required in this notice, the city's costs in conducting a reinspection for compliance after the due date will be collected from the owner rather than being paid for by the taxpayers of the City. If additional new violations are discovered within the next following 12 months, the city's costs in conducting additional inspections at this same location within said 12 months will be collected from the owner rather than being paid for by the taxpayers of the City. Any such future costs will be collected via assessment against the real property and are in addition to any other fines or assessments which may be levied against you and your property.
