CERTIFICATE OF SUFFICIENCY for Charter Amendment Petition originally submitted on March 25, 2025 and supplemented on April 14, 2025.

On March 24, 2025, a Petition requesting a referendum on Ord 25-2 per MN Stat § 410.12, Subd. 7 was delivered to my office by a Commission of Petitioners. A total of 2,000 valid signatures is required under Minnesota Statute § 410.12 Subd. 7. Ramsey County Elections conducted an examination of the petition and verified that only 1,695 of the signature lines submitted were valid.

The Petitioners were notified that their petition was insufficient, and that they had ten additional days to submit more signatures, as provided by Minn. Stat. § 410.12, subd. 3.

On April 14, 2025, the Petitioners submitted more pages of signatures. After verification of the additional signatures was completed, at least a total of 2,015 signatures were deemed valid. Therefore, I hereby certify that the petition has the sufficient number of signatures required by Minn. Stat. § 410.12, subd. 7.
