Hello Ms. Valmyr,

Instead of filing another appeal, I will be doing a resolution to amend the date stated in the original resolution. Not sure if the electrical permit is now closed. I will reach out to the electrical inspector for confirmation. As to the windows, Marcia Holliday mentioned that bldg. permit was closed, but unsure if the permit was pulled for the window trims only, or replacement of the windows as well. If it's only for the trims, your contractor may need to pull or amend the existing building permit to include the replacement. Ms. Moermond, Legislative Hearing Officer is willing to extend the deadline to February 1, 2026 for compliance.

Questions, please let me or Inspector Koehler know.
