Hi All,

I want to bring to your attn that Dyana Valmyr has been reaching out to our office. Her ext to get elect permit has passed. There is a correction on the elect permit by Dave Blank. He is out on vacation until Monday and Marcia is out until July 7. I don't have the authority to grant her additional time, but hopefully Dave Blank and her contractor can sort this out before July 7, then I wouldn't need to ask Marcia for additional extension and do new resolution to grant an extension.

WHEREAS, the Legislative Hearing Officer recommends that the City Council deny the appeal and grant to June 23, 2025 to have electrical permit finaled and to October 1, 2025 for orders related to window repair/replacement; Now, Therefore, Be It
