Dear Committee -

I am writing to express strong support for demolishing the CVS at Snelling and University. As a St Paul resident and duplex owner, I am concerned about the ongoing lethargy and negativity surrounding this corner. Demolishing this eyesore will signal that the city is serious about improving our community.

I am also concerned about the lack of support from the city regarding development in the area. We have waited too long to see serious efforts at redevelopment.

Sincerely,

Brenda Natala
