Subject: Legislative Hearing Sept. 30, 9:00 AM on the abandoned CVS store on Uni and Snelling

You don't often get email from bquarstad@gmail.com. Learn why this is important

Regarding the Legislative Hearing (Sept. 30, 9:00 AM) and City Council Hearing (Nov. 5, 3:30 PM) on demolition of the CVS building and lot on Snelling and University Avenues.

I would like to be on record as to encourage the city to take the necessary steps to remove this abandoned building which is contributing to blight and safety issues, not only for those living in the area and using the busy transit hubs at this intersections but also for those attending MNUFC matches and neighborhoods to the south. It has been staggering to me that the City has been unable or unwilling to do something about this problem previously. Now is the time. Let's clean up this mess and start to work toward solutions for this lot.

Thank you for your time,
