Subject: view of CVS building

You don't often get email from watermanbridgit@gmail.com. Learn why this is important

Hello,

I'm writing to express my support that the CVS building on the University and Snelling intersection be demolished or somehow fixed. It is in bad shape right now and needs to be addressed. That intersection needs to be given some good attention. We need to improve the neighborhood, a neighborhood that I live and exist in.

Thank you,
