Subject: CVS Building

You don't often get email from bethany1419@gmail.com. Learn why this is important

Greetings,

As a lifelong resident of the Hamline Midway neighborhood, I ask the City of St Paul to demolish the CVS property at the corner of University and Snelling.
This boarded up building is an eyesore and a poor representation of the neighborhood that I love. For those visiting or accessing the area via this important corridor, this is their impression of Saint Paul and especially Midway and it does not represent the people, the history, or the pride of the Midway area. It is egregious for a multi-billion dollar company, CVS, to have departed this location and left it to stand neglected.

Sincerely,
Bethany Whitehead
