Subject: Public Comment: Former CVS

You don't often get email from dr.artikatyner@gmail.com. Learn why this is important

I support the demolition of the CVS building. It has been neglected for far too long. This space should be repurposed into a commercial retail space that bolsters our local economy and creates jobs.

I would also recommend changes in policies and priorities to ensure spaces like CVS are not left unkept and mismanaged for this extended period of time. This creates unnecessary public health and public safety risks for our children and families.

Thank you for your time and consideration.
