You don't often get email from mmehlhendrickson@gmail.com. Learn why this is important

The Mill and overlay project on Ruth St. N was a great improvement which was long overdue. That being said, my property at 680 Ruth St should not be charged as much as you are preposición. I feel we shouldn't have to pay so much for these reasons:
1. There are hundreds of vehicles that use Ruth everyday that are not from this neighborhood.
2. CONSTANT spending
3. No parking on our side of the street because of a bike lane the city had to have. On the other side only partial
parking due to Eastern Heights Elementry School. In front of our house we cannot park there during school hours!
4. This is not a neighborhood street anymore. It's extremely busy!!
My husband and me are retired, live on a fixed income and can't afford any more taxes.
This assesment is too high. PLEASE RECONSIDER.
