Hi Mai,

This is Seth Richardson over at 2350 Bayless Place. We talked a few weeks ago. I have a hearing tomorrow. You said I should send you any materials I wished to share the afternoon before as well as a list of people who planned to come speak.

Attached is a report I prepared for review outlining several points of the appeal.

Here is a link to a Google Slides presentation I plan to share. (I assume there will be means for me to share this in front of the hearing committee.) https://docs.google.com/presentation/d/1XBI7Zo31GwSwFAVhF4NCYjzqOLRJDF2kiiM6fxoi9Vc/edit?usp=sharing
