Mr. Chang,

At this time, due to the City's cyber-attack from the summer, we still do not have access for any information prior to roughly the end of July, though we will be double checking before your hearing and sending you anything we may receive of course.

We will reschedule your hearing for **January 20th, 2025 via phone between 10 am and 1 pm.** You can discuss this with the Legislative Hearing officer then re: your viewpoint on documentation.

Thank you,
Joanna

Subject: 606 Lafond Ave

Good Afternoon,

I am writing to you regarding the public hearing notice I received from you on 606 Lafond Ave. The hearing is scheduled on January 6, 2026. I left a voicemail also.

I don't think I received the summary abatement order from the city. I could not find it in my file. I am very good at complying to the city orders, but I do not know what happened for this one.

Could you send me a copy of the abatement order that you had sent to me, if you had done so? Also, could you send me the document/invoice of the work that the city did (tall grass and weed removal)?

Can you reschedule the hearing please? I need more time to find the letter in my record and gather information.

Thank you,

Inho Chang
