CITY CLERK

To
Marcia Moermond
Legislative Hearing officer
and Saint Paul City council

After a carefull review of documents I have in my possesion. I See that on 6/25/2025 the Saint Paul city council passed a vacant building registration fee for the period June 25, 2025 through June 24, 2026. for my property at 839 Edmund Ave. This is exactly the Same dates, as MS Moermond stated for the new Vacant building assesment scedded to be put before the council on wed Febuary 25, 2026. She clearly Stated those dates in the appeal meeting on Jan 13, 2026.

Ratification of his assesment on Febuary 25, 2026 would result in two assesments being passed for exactly the same time period. This is not legally allowed.

So my Question is, has an error been made in this matter? Please look into this and clarify things BEFORE you ratify the new assessment!

I can't state things any clearer than I have. I believe I can prove this new assessment is in error. If the city deliberately and intentionally disregards my concerns, I will appeal to district court.

The above is true and correct
