Re: Appeal for property at 601 Clifford Street

Dear Mr. Saraph and Ms. Rauvola:

This is to confirm that on September 16, 2011, photos were submitted showing that the window in the rear bedroom do open to 16 inches. Ms. Moermond recommended granting an 8-inch variance on the openable height of the egress window. She denied the appeal on the sill height issue and you will need to install steps full width below the egress windows.

The City Council Public Hearing is scheduled for Wednesday, October 5, 2011 at 5:30 p.m. in Room 300 Council Chambers.

If you have any further questions, you may contact me at 651-266-8563.

Sincerely,

/s/
