You don't often get email from tuckerhamilton21@gmail.com. Learn why this is important

I Received a letter in the mail Requesting the sale of Malt liquor in addition to a Tobacco Shop.
At the property 604 Western Ave N.
I disapprove it's too close to a elementary school. I want the children in my community to be safe as well.
In addition I didn't want people standing around or hanging around in the Ally smoking cigarettes drinking liquor.
I hope the legislation take notice of my request as a homeowner for over thirty years.

Respectfully
