Community Response at Meeting:**

Pros

- This is not a problem if he obeys the law
- The building is kept very nice on the outside.
- He has a trash can outside and is good about picking up trash.
- Would rather buy beer from Yasin than the gas station.

Cons

- If the owner is going to sell beer, then he should also sell fresh fruits and vegetables.
- The inside could use some work. New beer revenue should go into renovations
- This might increase litter
- The beer should be locked up, if he is open later than beer sale time.

Community Response Outside of Meeting:**

Pros

Cons

- This is a bad idea. Speedy Market sells beer too. Two blocks away.
