Hello

This PO has been deemed permanently disabled earlier this year and is unable to use YW. Now she is requesting to have the charges removed and it needs a legislative hearing. Can you confirm if she has been using yard waste this year (April - July)?

If she has not been using the service, we will cancel the route and remove the charges. If she has been using the service, I will have to talk to PO and let her know we cannot cancel the account because she was using it

Collection day: Tuesdays
PID: 082823420003

Thanks
Jillian

Hopefully it still isn't too large of an email!
