We are billing for 64(3) but PO reports 64(1) at property

Hello David

Thank you for reaching out about your garbage invoice. In order to correct the Quarter 1 invoice, I will need to take it to a legislative hearing on August 27 because the time to adjust without a hearing has passed and the legislative hearing is now required. You do not need to attend, as I have enough information to recommend reduction from $39.57 to $113.19, however I cannot promise or guarantee the results. I will let you know in the days following th legislative hearing about the outcome.

Let me know if you have questions

Thank you,

Jillian
