# <u>City of Saint Paul Financial Analysis</u> <u>Template Instructions</u>

Purpose of the Fiscal Analysis Template:

• The purpose of this template is to standardize the information accompanying financial resolutions that come before the Mayor and City Council. This form will be **required** to be submitted as an attachment to **all resolutions and administrative orders that contain budget changes, are related to grants or donations, or otherwise impact the city's finances.** 

• Resolutions and administrative orders without this information will not be approved by OFS, and will be returned to the drafter.

Fiscal Analysis Template Tab

• Fill out all of the information in <u>Financial Analysis Template (green tab)</u> of this file. Pop-up windows will appear throughout the file to provide more details on what information is required.

• The top portion of the file, including the fiscal analysis, will need to be filled out for any finance related action, including:

- Grants: applying for, accepting and budgeting
- Donations: soliciting, accepting, and budgeting
- Budget amendments (both resolutions and administrative orders)
- Other action with a financial impact

• If the action includes either a CIB or Operating Budget Amendment, the detail accounting codes section must also be filled out.

• If you have further questions, please contact your budget analyst.

## Budget Reference Tabs

• The <u>Operating Budget Reference</u> and <u>CIB Budget Reference pages (blue tabs)</u> are read-only tabs. • If you have questions about what is required to accomplish a particular finance related action, please contact your budget analyst.

## Drop Down Menus Tab

• The <u>Drop Down Menus tab (grey tab)</u> is used by OFS only to manage the drop down lists contained in the Financial Analysis template.
