Re: File #11-292560 – 1773 Selby Avenue, Saint Paul

Dear Mr. Dubruiel,

The Board of Directors of the Union Park District Council reviewed the zoning code amendment and variance application for 1773 Selby Avenue at its meeting on Wednesday, November 2, 2011. A motion was passed in support of rezoning the property from a B2 (community business) zoning district to a T2 (traditional neighborhood) zoning district and allowing a variance for a parking space in the front yard at 1773 Selby Avenue in Saint Paul.

Thank you for your consideration.

Sincerely,

RE: 1773 Selby Ave. Zoning Change and Variance Request

Dear Ms. Goodman:

It was pleasure meeting with you to discuss your ideas and the upcoming hearing to change the zoning and to obtain a parking variance for your referenced property.

I am the owner of the adjacent building at 1775 Selby Ave. St. Paul. As we discussed, I do not oppose or have any objection to your request to change the zoning or to obtain a variance for parking at your property.

Sincerely,
GSB Properties, LLC
