14 Fiscal Analysis

Amendments will align the Human Rights Ordinance to closely mirror the protections afforded by the Fair Housing Act, 42 U.S.C. §3601, et seq., making Saint Paul the second city in the State to be substantially equivalent to the Act. The amended ordinance will enhance the availability of services to residents of Saint Paul. A work share agreement with HUD will generate revenue for investigating housing discrimination charges transferred from and cross-filed with HUD. The projected revenue would be approximately \$20,432 a year. This amount is included in the Mayor's 2012 proposed budget for this department.
