Re: Repurchase application relating to a tax-forfeited property at 640 Central Avenue W

Dear Marcia Moermond:

Enclosed please find a repurchase application received from Rayford L Dixon, acting as Attorney-in-Fact on behalf of Luther Whitehead, for the property located at 640 Central Avenue W. The property forfeited to the State of Minnesota on August 2, 2011 and is an upper/lower duplex in various stages of repair and renovation.

Mr. Rayford Dixon, Attorney-in-Fact, and Mr. Odell Johnson, property manager for Luther Whitehead, have made a written statement as to the reason why the property taxes weren't paid and the property forfeited to the state. Please see the attached "Repurchase Application Addendum." The outstanding delinquent taxes owed are approximately \$9,700.00.

County Board policy, No. 99-507, adopted on December 21, 1999, allows for "each repurchase application to be referred to the municipality in which the property is located. The municipality will document whether the property is considered a municipal problem based on documented police, building code, illegal activity, or health violations within the past five years. The municipality, by resolution, shall recommend that the County Board approve or deny the repurchase application and return the repurchase application to Ramsey County along with the resolution and documentation of any violations."

The following documents are enclosed to assist you:

- Police history summary
- Copy of Application to Repurchase after Forfeiture
 - Repurchase Application Addendum
- Map of the parcel

Please send all documents to the Tax Forfeited Land office for final processing since they are included with the county board documents as part of the record. If you have any questions regarding the forfeiture or require additional information, please do not hesitate to contact me at (651) 266-2081.

Sincerely,

A handwritten signature in black ink, appearing to read "Kristine A. Kujala".

(History & Resolution Plan)

History/How Did the Properties Get Forfeited?

These properties are owned by Luther Whitehead & Dorothy Dixon who are 75 years old and 74 years old respectively. They have lived as husband and wife for the past 44 years and have resided in St. Paul, Minnesota for the past 50 years, moving from Mississippi. Mr. Whitehead worked at Control Data for 19 years and Whirlpool for 21 years. He retired in 1991. Ms Dixon worked at Southview HealthCare Home for 33 years and retired in 1994. During this time, they purchased the properties listed above. Since that time, they have utilized the income from these properties, coupled with their retirement income, to maintain the properties and sustain themselves. Mr. Whitehead, being head of the household, handled the bulk of the business affairs. Unfortunately, over the course of the past 3 years, Mr. Whitehead has been diagnosed with dementia which has escalated within the past year. Ms Dixon has been attempting to handle what she could of the business affairs, however given her 8th grade education level, most detailed situations need outside interpretation for clarity.

Specifically, with regard to the unpaid property taxes, Ms Dixon was of the understanding that Mr. Whitehead was paying them as he always has. Yet, Mr. Whitehead was under the delusional understanding that their "tax lady" handled all the taxes. It has been determined that the taxes the "tax lady" files/prepares only their income taxes. Upon realizing the severity of the situation, Mr. Whitehead, Ms Dixon, Mr. Rayford Dixon & Mr. Odell Johnson began trying to secure the funds needed to initiate payment plans for all 3 properties. The amount required was \$12,300.00. The funds were secured, but did not arrive by mail until August 5, 2011 (4 days past the forfeiture/redemption date).

Repurchase Plan of Action

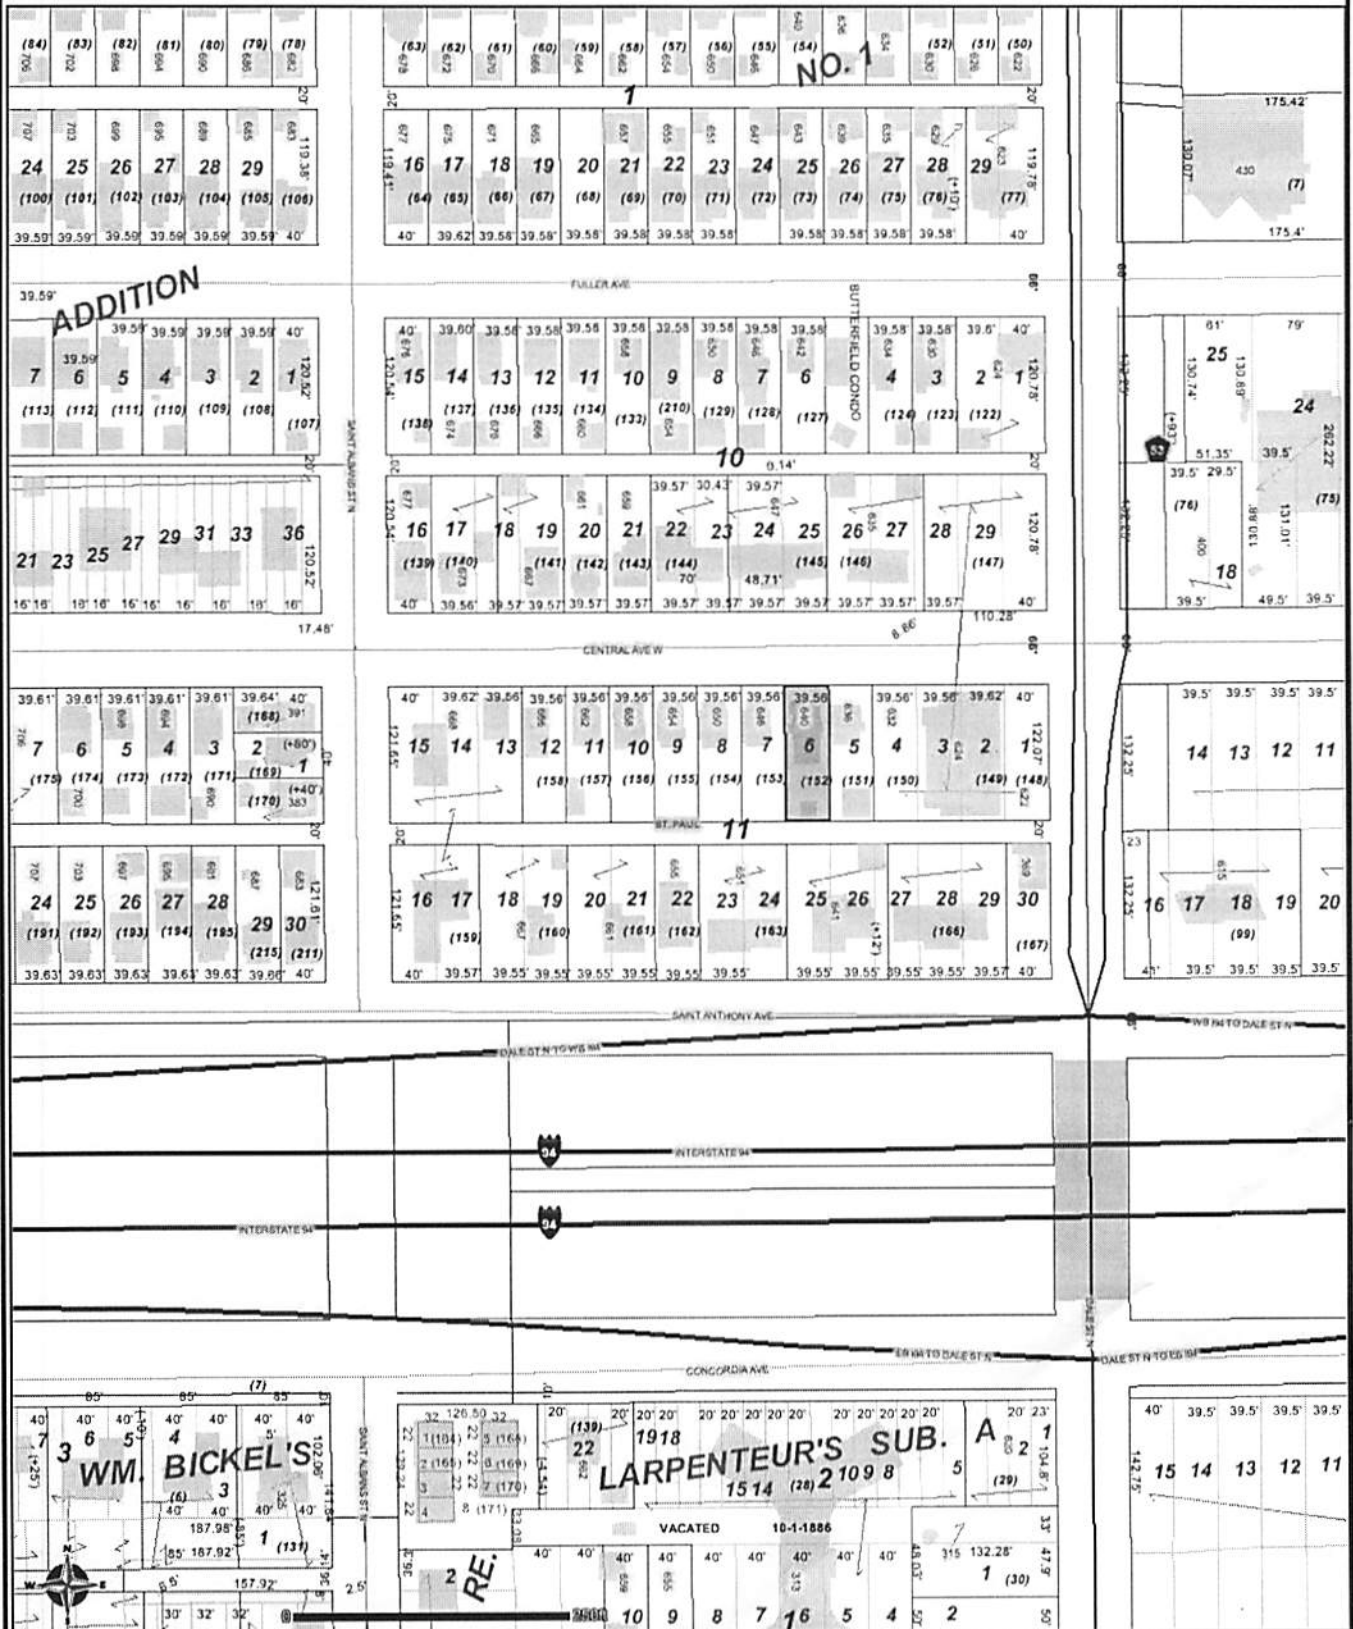

The first step was to designate someone to oversee their business affairs. Mr. Rayford Dixon, Ms. Dorothy Dixon's son agreed to assume this role and is currently acting in that capacity. This authority includes but is not limited to their housing/property matters, purchase & sale of real estate & monthly financial budgeting. In addition to Mr. Dixon, Mr. Odell Johnson will continue to provide the housing management/maintenance aspects to the plan. His 18 years of experience & training as Housing Director for the St. Paul Urban League, coupled with his current working knowledge of Housing & Building Code regulations, Fire & Safety requirements and Section 8 (HUD) processes has proven extremely valuable in the past and we anticipate in the future as well.

It is the intent of Mr. Whitehead and Ms. Dixon to repurchase all three (3) properties that they have previously paid for and continue to utilize them as rental income properties. Recognizing that these properties are going to require work, they have already, with the guidance of Mr. Dixon and Mr. Johnson, begun to seek available financing (banks, mortgage companies, investors, and government & neighborhood resources). It should also be noted that steps have been taken to sell their planned “get away” property in Pine City. This property is currently listed with Coldwell Realty and all proceeds from the sale will go into the repurchase/rehab plan. Unfortunately, at this time, the amount needed for the sited repairs is unavailable to the family pending inspection by St. Paul Housing & Building Code Enforcement. In preparation for the required work determined by the City of St. Paul, Mr. Johnson has contacted and will immediately secure bids from numerous (4) licensed, insured and bonded contractors to restore these properties to ensure safe, descent & clean housing for the residents and the community.

We recognize the deficiencies of the past and accept full responsibility for this situation. We are determined to do whatever is required to repurchase these properties, committed to the task of providing safe housing and determined to see to it that this situation never occurs again.
