To Whom It May Concern,

I am writing regarding 1809 Marshall Ave in St Paul. I have a hearing scheduled for the 24<sup>th</sup> of January but will not be able to attend because of some unforeseen circumstances that are beyond my control. This is a hearing regarding the owner occupied property at the above mentioned address. I have been working on the necessary paperwork required to file with the Ramsey County Property Records Department. This has been a long and drawn out process and I have been working with my mortgage company and my attorney on this. I need to have my husband's signature notarized, who is out of state at the present. I will have this completed and I can record these documents with Ramsey County by the end of the week or Monday at the latest. I will be able to drop off the certified copy to your office at that time. Please call me with any questions or concerns at 612-221-0455.

Thank you for your time,

Susan Costanzo
