The Metropolitan Council has applied for a sound level variance for overnight construction work related to the Central Corridor project. The request is for up to 25 dates of overnight work, 10:00 pm to 7:00 am between April 5, 2012 and December 31, 2012. The location of the project is Cedar St. between 11th and 12th; 12th between Cedar and Robert; Robert between 12th and University Ave. The use of jack hammers, saw cutting, and other similarily loud activities will not be permitted during this time period with the exception of May 18, 19, and 20, 2012 when these activities will be permitted. The public hearing is scheduled for April 4, 2012 in the City Council Chambers at 5:30 pm. Contact mark.kaisersatt@ci.stpaul.mn.us with comments.
