District Five wishes to be on record in this request to remove 1145 Edgerton. The photos could not be sent via e-mail as the size of the file is too large. I will be mailing those files to Steve Magner.

I wanted to flag the fact that the door on the south side of the property appears to have been opened and the boards removed that were protecting this access. I looked over the parcel today on April 6, 2012.

Thank you,
