RE: License ID # 19970000021

I wish to admit the facts of letting the insurance lapse. I would like to contest the penalty. The length of the penalty will cripple the restaurant financially. I'm worried I might lose some valuable front of the house and kitchen staff. We are a small but proud restaurant that represents Mac Grove area. I don't want my lapse in judgement affect so many of my loyal crew.

Thank you

Mark
