RE: Appeal for property at 733 White Bear Avenue

Dear Ms. Turner:

This is to confirm that on May 22, 2012 at the Legislative Hearing, Marcia Moermond, Legislative Hearing Officer recommended that the City Council adopt the following:

- 1) grant a week (May 29) to move the cardboard into the garage;
- 2) provide a permanent solution to deal with the bee boxes, like a sturdy shed (you can build an 8 x 10 shed without a permit (may need to consult with the building inspector) and must be in compliance by August 1, 2012;
- 3) need to get rid of the tarps;
- 4) stack wood neatly on pallet; and
- 5) direct Inspector Seeley to take photos in a week and document where things are at

On May 29, 2012, you sent an email requesting extension on the woodchip paths around the beds. Ms. Moermond reviewed your file and recommended that the City Council grant until June 11, 2012 for the correction of the exterior code violations shown in the photographs attached herein.

The City Council Public Hearing is scheduled for Wednesday, June 6, 2012 at 5:30 p.m. in Room 300 Council Chambers if you wish to contest further.

Any questions, I can be reached at 651-266-8563.

Sincerely,
MV
