The code enforcement dept. received a complaint from a unknown person of our unpaved driveway. We are appealing this as we have leveled off the concrete and black top with class five limestone. The soil in the area is poor as there is peat under the driveway as all of the driveway in the area. The driveway next-door was just redone in class five a few years ago and the city approved it. The home was built by my father in 1957. Please look over the other homes within one block that have rock driveways.

#1 - 511 Desnoyer Ave. Class five driveway and parking to the garage.

#2 - 469 Desnoyer Ave. Class five add-on driveway.

#3 - 452 Otis Ave. Class five driveway new after addition to the house.

#4 - Pelham Blvd. & Otis two houses on the corner both have class five parking and driveways.

#5 - 526 Desnoyer Ave. Driveway and alley both class five.

#6 - 530 Desnoyer Ave. Alley class five.

#7 - 536 Desnoyer Ave. Alley class five.

#8 - 495 Frontenac Place. Alley class five.

#9 - 519 Frontenac Place. Driveway and parking both redone with class five.

#10 - Corner house (no address posted) Desnoyer Ave and Eustis St. 2/3 of back yard class 5 for parking cars and RV.

#11 - 556 Desnoyer Ave. Parking next to garage alley, River rock.

#12 thru #19 400 block to 500 block of Otis Ave. class five and driveways and parking areas.

Thank you for looking into this as we can not pay for a new driveway at this time.

Sincerely,

Shirley and Jay Olson
