**Attachments:** 482 EDMUND VEIT DISPOSAL.pdf

Hi Mai,

Here are the invoices that were charged to my account on 482 Edmund. This shows the three containers plus one more that I still need to order in order for me to finish the project. This project should have taken between two to three containers total, but now it is going to take me four containers because of all the items that were thrown out side the container by neighbors.

Please consider deleting the clean up assessments on the above address and call me if you have any question.
