

Code Sections

Chapter 88. – Water Code – Meters

Sec. 88.05. – Where required.

Except where a combined fire and domestic water system is approved, ~~the~~ the supply of water through each separate street service connection must be recorded by one meter only, for which only one account will be maintained by the water utility.

(Code 1956, § 249.06; C.F. No. 93-905, § 5, 7-15-93)

Reason for change

Resolves conflicts with other Code Sections for combined fire and domestic water systems.
